

# I Put A Spell On You

Alan Price

I put a spell on you because you're mine  
Ah, you'd better stop the things that you do  
I ain't lying, no, I ain't lying  
I just can't stand it, baby, the way you're always running 'round  
I just can't stand it, the way you always put me down  
Yeah, I put a spell on you because you're mine  
You're mine, you're mine  
I put a spell on you because you're mine  
You'd better stop the things that you do  
Lord knows, I ain't lying  
No, no, no, I ain't lying  
I just can't stand it, the way you always put me down  
I just can't stand it, the way you're always running 'round  
I put a spell on you, ha, ha, because you're mine  
You're mine, you're mine  
Ain't lying, I love you, I love you, oh, anyhow  
I don't care if you don't want me, I'm yours anyhow  
I put a spell on you because you're mine  
Because you're mine, you're mine, because you're mine
