

Release Me

Blaque

[Brandi]

I'm drowning in the shallow waters
And I'm trying so hard to reach the top
Something so pure, in the air to catch
I can see it above me

[Natina] (Brandi)

A breathe of freedom (release me)
A choice to change
A new direction (release me)
I feel so trapped (let me go)

[Brandi]

And as the sunlight tries to guide me
I keep pretending there's nothing there
And now I'm so deep
No where near the end
And I keep going down, so down
[Natina] (Brandi)

I begin to see the person (release me)

Holding me, is me

Let it go (release me)

Let it go (oooh, ooh)

(Release me)

[Brandi] (Natina)

I can't fight it (I can't fight it)
And I won't deny it (I won't deny it)

As times go by

I'll remember

[Natina]

That it's me who holds the key

[Natina] (Brandi)

Let me go (release me)

Let me go (release me)

(Release me, yeah)
