All in One Night

Cheryl

(Yeah, oh)I'm not afraid of my desire
'Cause I know what you like
When I'm ready, said I'm ready
To get down in one night
But two better
What do you say?
You better walk my way
And come baby we can go play
What do you say?I'll be your, be your desire (Boss)
You'll be my, be my mistake (Bitch)
We can walk, walk to the fire (Ooh)
(Switch)I'll tell you my secrets
Show you where I keep it
We can do it all in one night
Clothes, somebody's falling
Midnight turn to morning
We can do it all in one night
Let me open your mind
Bring your body to mine
Wanna get to know ya
And let me show ya
We can fall in love in one nightIt's like the sea with open eyes
Feeling love at first sight
And I'm ready, are you ready?
To get down in one night
Ooh baby, what do you say?
You better walk my way
Come baby we can go play
What do you say?I'll be your, be your desire (Boss)
You'll be my, be my mistake (Bitch)
We can walk, walk to the fire (Ooh)
(Switch)I'll tell you my secrets
Show you where I keep it
We can do it all in one night
Clothes, somebody's falling
Midnight turn to morning
We can do it all in one night
Let me open your mind
Bring your body to mine

Wanna get to know ya
And let me show ya
We can fall in love in one nightI can throw it back and baby
You can work without a maybe
We can lay in bed and feel all it go tonight
I can throw it back and baby
You can work without a maybe
We can lay in bed and feel it all go tonightI'll tell you my secrets
Show you where I keep it
We can do it all in one night
Clothes, somebody's falling
Midnight turn to morning
We can do it all in one night
Let me open your mind
Bring your body to mine
Wanna get to know ya
And let me show ya
We can fall in love in one nightI can throw it back and baby (Boss)
You can work without a maybe (Bitch)
We can lay in bed (Ooh, switch)
I can throw it back and baby (Boss)
You can work without a maybe (Bitch)
We can lay in bed (Ooh, switch)
