I'm Glad There Is You

çŸ³åŽŸæ±Ÿé‡Œå-•

Said I, many times, love is illusion
A feeling result of confusion
With knowing smile and blazing sigh
A cynical so and so am I
I feel so sure, so positive
So utterly, unchangingly certain
That I never was aware of loving you
'Til suddenly I realized, there was love and you and I
In this world of ordinary people
Extraordinary people
I'm glad, there is you
In this world of over-rated pleasures
And under-rated treasures
I'm so glad, there is you
I live to love
I love to live with you beside me
This role so new
I'll muddle through with you to guide me
In this world where many, many play at love
And hardly any stay in love
I'm glad, there is you
More than ever, I'm glad, there is you
This role so new
Somehow I muddle through with you to guide me
In this world where many, many play at love
And hardly ever stay in love
I'm glad, there is you
More than ever, I'm glad, there is you
So glad, there is you
I'm glad, there is you
