

# Summer Days

## Dirtmusic

Summer days, summer nights are gone  
Summer days and summer nights are gone  
I know a place where there's still somethin' going on  
I got a house on the hill, I got hogs out in the mud  
I got a house on the hill, I got hogs all out in the mud  
I got a long haired woman, she got royal Indian blood  
Everybody get ready, lift up your glasses and sing  
Everybody get ready, lift up your glasses and sing  
Well I'm standin' on the table, I'm proposin' a toast to the king  
And I'm driving in the flats in a Cadillac car  
The girls all say, "You're a worn out star"  
My pockets are loaded, and I'm spending every dime  
How can you say you love someone else, you know it's me all the time  
Well the fogs so thick you can't spy the land  
The fogs so thick that you can't even spy the land  
What good are you anyway?  
If you can't stand up to some old businessman  
Weddin' bells are ringin' and the choir is beginning to sing  
Yes, the weddin' bells are ringin' and the choirs beginning to sing  
What look good in the day, at night is another thing  
She's looking into my eyes, and shes a-holding my hand  
She looks into my eyes, she's holding my hand  
She say, "you cant repeat the past,"  
I say "You can't? What do you mean you can't? Of course you can"  
Where do you come from, where do you go?  
Sorry, that is nothing you would need to know  
Well, my back's been to the wall so long it seems like it's stuck  
Why don't you break my heart one more time, just for good luck?  
I got eight carburetors and, boys, I'm usin' 'em all  
Well, I got eight carburetors and, boys, I'm usin' 'em all  
I'm short on gas, my motors startin' to stall  
My dogs are barking, there must be someone around  
My dogs are barking, there must be someone around  
I got my hammer ringin' pretty baby, but the nails ain't goin' down  
If you got something to say, speak or hold your peace  
Well, if you got something to say, speak now or hold your peace  
If it's information you want, you can get it from the police  
Politicians got on his joggin' shoes  
He must be runnin' for office, got no time to lose

Suckin' the blood out of the genius of generosity  
You've been rollin' your eyes, you've been teasin' me  
Standin' by Gods river my souls beginning to shake  
Standin' by Gods river my souls beginning to shake  
I'm countin' on you, love, to gimme a break  
Well, I'm leaving in the morning, as soon as the dark clouds lift  
Yes, I'm leaving in the morning, just as soon as the dark clouds lift  
I'm breakin' the roof, set fire to the place as a partin' gift  
Summer days, summer nights are gone  
Summer days, summer nights are gone  
I know a place where there's still something goin' on
