

# Do Right Woman, Do Right Man

[Esther Phillips](#)

Take me to heart and I'll always love you  
And nobody can make me do wrong  
Take me for granted, leaving love unsure  
Makes will power weak and temptation strongA woman's only human  
You should understand  
She's not just a plaything  
She's flesh and blood just like her man  
If you want a do-right-all-day woman  
You've got to be a do-right-all-night manThey say that it's a man's world  
Well you can improve that by me  
And as long as we're together baby  
Show some respect for meA woman's only human  
You should understand  
She's not just a plaything  
She's flesh and blood just like her man  
If you want a do-right-all-day woman  
You've got to be a do-right-all-night man
