Lesson Learned

[Gossip](#)

I don't ever wanne be that girl
The saddest thing in the whole wide world
I don't ever wanne be that girl
The saddest thing in the whole wide worldI guess I'm lucky 'cause I learned a long time ago
I used to try to be somebody else, but now I know
People like you make me know that I don't want to be
Stuck in a scene that only puts me down and judges meI don't ever wanne be that girl
The saddest thing in the whole wide world
I don't ever wanne be that girl
The saddest thing in the whole wide world
Now you buy the right records
Now you got the right shoes
Yeah you look so good
But that's all you doSo worried someone's gonne blow your cover???
So take care of the people you know
And that's a lesson that I learned a long time ago
That I don't ever wanne be that girl
The saddest thing in the whole wide world
I don't ever wanne be that girl
The saddest thing in the whole wide world
