## Mindless Self Indulgence

Advisory - the following lyrics contain explicit language:

When I step to the mic I show no - MERCY!  
When I throw back junk I show no - MERCY!  
When I'm better than your life I show no - MERCY!  
When I fall off the bike I show no - MERCY!All (ah ah)  
I need (ah ah)  
is ...  
To rock this here beat so I defeat  
All (ah ah)  
I need (ah ah)  
is a def beat  
To bust it, fly baby[backwards:]  
masturbating, defecating,  
Microphone commander  
Never...hesitating  
Deaf with a record  
Here's the invitation  
Accept no substitute and no imitation  
We're the fuckers  
We're the fuckees  
and all that i know's that they don't give a fuck about me  
Wee-oh wee-oh wee-oh wee-oh wee-oh wee-oh  
wee-oh wee-oh wee-ohWhen I step to the mic I show no - MERCY!  
When I throw back junk I show no - MERCY!  
When I'm better than your life I show no - MERCY!  
When I fall off the bike I show no - MERCY![backwards:]  
these eyes, they look outside  
you can never, ever, ever, win a battle with me  
in little bitty pieces  
that is what you get (ah) when you step to me - HUH!All (ah ah)  
I need (ah ah)  
is ...  
To rock this here beat so I defeat

All (ah ah)
