Black Bullet

Kidneythieves

Can you deal with the hallucination?Can you steal the hallucination?I can hear and feel all that you're thinkingCan you deal with the hallucination?When I'm drowning in the sea, I amWhen you're looking down at me, I amWhen I'm walking in the streets, I am A bulletWhen I'm looking and I find, I amWhen I'm purer than the sky, I amWhen I'm fucking with your mind, I am A bullet
In the eye, In the mirror, I amIn the eye, In the mirror, I amIn the eye, In the mirror, I am A black bulletIn the eye, In the mirror, I amAlone, alone in this all.
Deal with the hallucinationCan you deal with the hallucinationWhen I'm walking on the line, I amWhen I think that I could kill, I amWhen I think that I am love, I amI am a black bullet
In the eye, In the mirror, I amIn the eye, In the mirror, I amIn the eye, In the mirror, I am A black bulletIn the eye, In the mirror, I amAlone, alone in this all.
Can you deal with the hallucinationYou never, never Could you look me
in the Eye,In the mirror, whenIn the eye, In the mirror, I amIn the eye, In the mirror, I am A black bulletIn the eye, In the mirror, I amAlone, alone in this all.
