

Dancing in the Dark

Eddie Berman

I wake up in the evening.
Man, I ain't got nothing to say.
I come home in the morning.
I go to bed, feeling the same way.
I ain't nothing but tired.
Man, I'm just tired and I'm bored with myself.
Hey there, baby, I could use just a little help.
You can't start a fire, can't start a fire without a spark.
This gun's for hire, even if we are just dancing in the dark.
