

Love Me Like a Hurricane

Led Zeppelin

You know it hurts so much
C'mon and please me
You know I need your tender touch Love me like a hurricane
And then you start to freeze
You tell me that you'll come on over
Then you say you won't
Love me like a hurricane
And then you start to freeze
I'll give it to you straight right now
Please Oh please don't tease me
You know it hurts so much
C'mon and squeeze me
You know I need your tender touch Tell me that you love me babe
Then you say you don't
You tell me that you'll come on over
Then you say you won't
