

# Iron Head

Rob Zombie

What is the purpose?  
Demonoid phenomenon  
Regulate the flux and reflux  
So bring it on  
Loose upon the world  
Destruct like a juggernaut  
Give it to me Suddenly the rats are high  
Bleed the masses watch them cry  
Slumber like Houdini's dog  
Die alone out in the fog Iron head  
Iron head  
Iron head  
Crucify you  
Iron head  
Regenerate  
Iron head  
Exterminate  
Iron head  
Liberate and crucify you What is my name?  
Demonoid phenomenon  
Laugh in your face  
And break in now move along  
Vent up on the brink  
Appear another demigod Suddenly forever knows  
What it takes and where it goes  
Paint it black inside your head  
I defy what you have said Iron head  
Iron head  
Iron head  
Crucify you  
Iron head  
Regenerate  
Iron head  
Exterminate  
Iron head  
Liberate and crucify you Suddenly the rats are high  
Bleed the masses, watch them cry  
Slumber like Houdini's dog  
Die alone out in the fog Iron head

Iron head  
Iron head  
Crucify you  
Iron head  
Regenerate  
Iron head  
Exterminate  
Iron head  
Liberate and crucify you
