Sleepwalker (feat. Joni Fatora) [Virtu Remix]

[Illenium](#)

Sleepwalker, where do you go
In the night
I find you in my dreams
I find you in my dreams
Sleepwalker, visions always
Just repeat
You're always in my dreams
You're always in my dreams[Pre-Chorus]
Did you come to make it right
Did you come to say goodbye
Did you come to make it right
Did you come to say goodbye
Did you come to say goodbye
Did you come to say goodbye
Sleepwalker, sleepwalker
Where did you go[Chorus]
Now I'm sleepwalking again
Now I'm sleepwalking again
Now I'm sleepwalking again
Now I'm sleepwalking again
Sleepwalker, sleepwalker
Sleepwalker, sleepwalker[Bridge]
Sleepwalker, sleepwalker
Sleepwalker, sleepwalker
Now I'm sleepwalking again
Now I'm sleepwalking again
Sleepwalker, sleepwalker
Sleepwalker
Where did you go[Chorus]
Now I'm sleepwalking again
Now I'm sleepwalking again
Now I'm sleepwalking again
Now I'm sleepwalking again[Outro]
Sleepwalker, sleepwalker
Sleepwalker, sleepwalker
