

# Dear Life (feat. Jaw)

## Claptone

Dear life, I wish you have told me  
 'Bout the beautiful ways  
 I'm not the best at falling  
 Most of the time  
 The best times hide in mistakes  
 Sometimes I wish I was blind  
 To see the others' beauty  
 To see the others' beauty  
 To see the others' beauty  
 To see the others' beauty  
 To see the others' beauty  
 To see the others' beauty  
 To see the others' beautyTo see the others' beauty  
 (To see them all)  
 To see the others' beauty  
 (To see them all)  
 To see the others' beauty  
 (To see them all)  
 To see the others' beauty  
 (To see them all)Dear life, I wish you have told me  
 'Bout the beautiful ways
