Honest

The Neighbourhood

[Verse 1]
Patience
Test my patience
If I made it too hard for you,
Maybe, you should have changed itSay it
You should say it
Cause I'd say I was wrong, just to make it
Fill all the spacesWaiting
Always waiting
If I gave you control,
Would you say that we could have saved it?[Pre-Chorus]
I hope you find a way to be yourself some day
In weakness or in strength
Change can be amazing
So I pray for the best
I pray for the best for you[Chorus]
I wish you could be honest
I wish you could be honest with me, with meI wish you could be honest
I wish you could be honest with me, with me[Verse 2]
Chasing
Always chasing dreams
Why'd you stick around?
Why'd you stay with me?
Why'd you fake it?Hesitation is killing me too
But i couldn't save it
I couldn't save it[Pre-Chorus]
I hope you find a way to be yourself some day
In weakness or in strength
Change can be amazing
So I pray for the best
I pray for the best for youI hope you find a way to be yourself some day
In weakness or in strength
Change can be amazing
So I pray for the best
I pray for the best for you[Chorus]
I wish you could be honest
I wish you could be honest with me, with meI wish you could be honest
I wish you could be honest with me, with meI wish you could be honest
I wish you could be honest with me, with me (Yeah)I wish you could be honest

I-I-I wish you could be honest
I wish you could be honest
I-I-I wish you could be honest
