

Wet Sand

Red Hot Chili Peppers

My shadow side, so amplified
Keeps coming back dissatisfied
Elementary son but it's soMy love affair with everywhere
Was innocent, why do you care?
Someone start the car time to goYou're the best I knowMy sunny side has up and died
I'm betting that when we collide
The universe will shift into a lowThe travesties that we have seen
Are treating me like Benzedrine
Automatic laughter from a proMy, what a good day for a walk outside
I'd like to get to know you a little better, baby
God knows that I really triedMy, what a good day for a take out bride
I'd like to say we did it for the better ofI saw you there, so unaware
Those hummingbirds all in your hair
Elementary son but it's soThe disrepair of Norma Jean
Could not compare to your routine
Balarama beauty going toe to toeMy, what a good day for a let it slide
I'd like to say we did it for the better ofI thought about it and I brought it out
I'm motivated by the lack of doubt
I'm consecrated but I'm not devout
The mother, the father, the daughter, yeahRight on the verge, just one more dose
I'm traveling from coast to coast
My theory isn't perfect, but it's closeI'm almost there, why should I care?
My heart is hurting when I share
Someone open it up and let it showMy, what a good day for a walk outside
I'd like to think we did it for the better ofI thought about it and I brought it out
I'm motivated by the lack of doubt
I'm consecrated but I'm not devout
The mother, the father, the daughter, ohYou don't form in the wet sand
You don't form at all, oh
You don't form in the wet sand
I do, yeahYou don't form in the wet sand
You don't form at all, oh
You don't form in the wet sand
I do, yeah
