Stiff Little Fingers

Advisory - the following lyrics contain explicit language:

69 it was fine you said but by 79 it's gonna be mine I said
70, 71 rang the knell, 72 we went through hell
73 and 74 only gave us more bloody, bloody, bloody bore
But now it's here our new year it's gonna be78 revolutions to minute
78 revolutions to minute now75 the same old jive
Christ won't you tell me why we're still alive?
76 no kick you bet but no way we ain't dead yet
But now it's here our new year gonna be78 revolutions to minute
78 revolutions to minute nowIt got better in 77 you said God knows it weren't heaven
We say go stuff your acceptable level
Stuff it we know it weren't no revel
Weren't no revel, revel, revel, revel, revel revolution1, 2, 3, 4, 5, 6, 7, 8
Make up you mind drove you blind
Gonna be78 revolutions to minute
78 revolutions to minute now
I said now, I mean now, not tomorrow, do it now
