In Between

Linkin Park

Let me apologize to begin with Let me apologize for what I'm about to say But trying to be genuine was harder than it seemed And somehow I got caught up in betweenLet me apologize to begin with Let me apologize for what I'm about to say But trying to be someone else was harder than it seemed And somehow I got caught up in betweenBetween my pride and my promise Between my lies and how the truth gets in the way The things I want to say to you get lost before they come The only thing that's worse than one is noneLet me apologize to begin with Let me apologize for what I'm about to say But trying to regain your trust was harder than it seemed And somehow I got caught up in betweenBetween my pride and my promise Between my lies and how the truth gets in the way The things I want to say to you get lost before they come The only thing that's worse than one is none The only thing that's worse than one is noneAnd I cannot explain to you In anything I say or do or plan Fear is not afraid of you Guilt's a language you can understandI cannot explain to you In anything I say or do I hope the actions speak the words they can For my pride and my promise For my lies and how the truth gets in the way The things I want to say to you get lost before they come The only thing that's worse than one is Pride and my promise Between my lies and how the truth gets in the way The things I want to say to you get lost before they come The only thing that's worse than one is none The only thing that's worse than one is none The only thing that's worse than one is none
