

Soon (Andrew Weatherall 12" Mix)

My Bloody Valentine

Wake up
Don't fear
I want to
Love you
Yeah (doll of pain)
I let you get to me
Yeah yeah Come back
Don't be
Afraid of me
Soon
That (I'll harm you)
Your eyes are blue
Blue jewels
Yeah yeah Come back
Have faith
Someone like you
Can find the reason
Of what I did to you
Yeah yeah Wake up
Don't fear
I want to
Love you
Yeah (doll of pain)
I let you get to me
Yeah yeah
