

# Today Is Blackie's Birthday

## Urge Overkill

Oh that baby, you look so tired  
A full-grown baby  
You're growin' so tired of growin' old  
And how old are ya'?  
And were you ever  
(Really [unverified] baby [unverified])  
There'll be a new Sun risin'  
For another day's passin'  
Over your gray horizon  
Today is the first day of the rest a' your life  
Time goes away  
You've thought about checkin' out and don't deny it  
Time goes away  
But if you really wanna can the music  
You better sleep on it  
Fill your life with the love or lose it  
Like a' rock 'n' roll music  
No more agin' now  
Today you're gonna help celebrate Blackie's birthday  
He's 22 today  
It's Blackie's birthday, he's 22 today  
So you're gonna get up  
You're gonna wrap him up a big surprise  
Today is Blackie's birthday  
And we'll sing 'happy birthday to you'  
Today is the first day of the rest a' your life  
Time goes away  
You've thought about checkin' out  
And don't deny it, already tried it  
Time won't go away, no, it won't  
But if you really wanna can the music  
You better sleep on it  
Fill your life with the love or lose it  
Like a' rock 'n' roll music  
No more agin' now for us  
Today Urge Overkill celebrates Blackie's birthday  
He's 22 today  
It's Blackie's birthday, he's 22 today  
So you're gonna get up

We're gonna wrap him up a big surprise  
Today is Blackie's birthday  
So Blackie, happy birthday, yeah, oh ho
