

Yeah Whatever

Splendor

And you're primitive
And you're cynical to me
And I chewed down on the bit
And almost swallowed it
You sit all alone with your color t.v
Your hair starts to glisten in spite of the fleas
We don't have to stay friends
Let's pretend to be enemies Yeah, whatever makes you happy
Yeah, whatever makes it beautiful
Yeah, whatever leaves you satisfied
Cause I'm out of time
For now And you're paranoid
As you look me up and down
And I'm soaked in gasoline
Mud and Ice cream
You sit by the phone with your tongue hanging out
You cradle the flies in the back of your mouth
We don't have to stay friends
Let's pretend to be enemies Yeah, whatever makes you happy
Yeah, whatever makes it beautiful
Yeah, whatever leaves you satisfied
Cause I'm out of time
For now Damned if you do
Dead if you don't
Damned if you do
What if you won't?
Damned if you do
Dead if you don't
Damned if you do
Oh You must be aware what you're doin' to me?
We sunk like a stone on a rock in the sea
We don't have to stay friends
(Not for very long)
We don't have to stay friends
(Just because you're gone) Yeah, whatever makes you happy
Yeah, whatever makes it beautiful
Yeah, whatever leaves you satisfied
You get what you want cause you won't let it die Yeah, whatever makes you happy
Yeah, whatever leaves you insecure

Yeah, whatever seems to break you down
Cause I'm out of time
I'm feelin' fine
