

Slow And Steady

Of Monsters and Men

The lights go out, I am all alone
All the trees outside are buried in the snow
I spend my night dancing with my own shadow
And it holds me and it never lets me go I move slow and steady
But I feel like a waterfall
I move slow and steady
Past the ones that I used to know My dear old friend, take me for a spin
Two wolfs in the dark running in the wind
I'm letting go but I've never felt better
Passing by all the monsters in my head And I move slow and steady
But I feel like a waterfall
I move slow and steady
Past the ones that I used to know
