Temporary Fills

Mandisa

People going on and on
They don't know what they got wrong
This world won't keep you satisfiedThey say you gotta buy this, wear this, drive that car
'Cause that's the kind of thing that makes you who you are
But don't keep throwing that my wayNo more temporary fills, I want a love that's real
Take everything I have and fill me up inside
I'm done looking for the quick fix, Jesus, Your love
Your love is all I ever I need, no more temporary fillsI've turned every rock and stone
Gone everywhere there was to go
But I only felt better for a while'Cause nothing can replace You, erase You from my heart
And that's the kind of thing that makes You who You are
You're the reason I can sayNo more temporary fills, I want a love that's real
Take everything I have and fill me up inside
I'm done looking for the quick fix, Jesus, Your love
Your love is all I ever I needNothing temporary
Could ever make me feel the way You do
'Cause what You've given to me
I know that it will last my whole life through, whoaNo more temporary fills, I want a love that's real
Take everything I have and fill me up inside
I'm done looking for the quick fix, Jesus, Your love
Your love is all I ever I need, no more temporary fillsNo, no more temporary, no, no more temporary
No, no more temporary, no more, no more
No, no more temporary, no, no more temporary
No, no more temporary
