

A World Without Love (Stereo) (Remastered 1999)

Peter & Gordon

Please lock me away
And don't allow the day
Here inside where I hide
With my loneliness
I don't care what they say, I won't stay
In a world without love

Birds sing out of tune
And rain clouds hide the moon
I'm okay, here I'll stay
With my loneliness
I don't care what they say, I won't stay
In a world without love

So, I wait and in a while
I will see my true love smile
She may come, I know not when
When she does I'll know
So baby, until then

Lock me away
And don't allow the day
Here inside where I hide
With my loneliness
I don't care what they say, I won't stay
In a world without love

So, I wait and in a while
I will see my true love smile
She may come, I know not when
When she does I'll know
So baby, until then

Lock me away
And don't allow the day
Here inside where I hide
With my loneliness
I don't care what they say, I won't stay
In a world without love

I don't care what they say, I won't stay
In a world without love
