

The Ballad of Easy Rider

Fairport Convention

The river flows, it flows to the sea
Wherever that river goes that's where I want to be
Flow river flow, let your waters wash down
Take me from this road to some other town All he wanted was to be free
And that's the way it turned out to be
Flow river flow, let your waters wash down
Take me from this road to some other town Flow river flow, past the shady trees
Go river go, go to the sea
Flow to the sea The river flows, it flows to the sea
Wherever it goes that's where I want to be
Flow river flow, let your waters wash down
Take me from this road to some other town
