Niggas be watching cause I'm Slick Rick[Verse 1: J Spades]
Head Nigga in Charge
East London, call me big darg
Where I come from, niggas don't live long
Had to sell drugs for my income
Spent ten years in Kingston
Then I catch a flight, come-a England
Name ring bells like ding dong
Cause I'm stepping on the city like King Kong
Yo, rappers wanna link up
Boy, you're doing everyting wrong
Millions of bars on the F64s
But you can't make a big song
Now it's my phone them a ring, don
Tryna get my style and my lingo
Cause the word on the roads is Spades gonna blow
And they're waiting for my single
Nigga lick the jackpot like bingo
Popping like Pringles
Beating up your gyal when you link up
Cause bad bitches are in tow
Now you know I'm old school like Flintstones
Now you know how the ting go
Well my niggas let the ting go
Everybody a fi breeze like window[Hook]
