Dance With Me

Bobby McFerrin

Dance with me, I want to be your partner
Can't you see the music is just starting?
Night is falling, and I am falling
Dance with meFantasy could never be so giving
I feel free, I hope that you are willing
Pick the beat up, and kick your feet up
Dance with meLet it lift you off the ground
Starry eyes, and love is all around us
I can take you where you want to goDance with me, I want to be your partner
Can't you see the music is just starting?
Night is falling, and I am falling
Dance with meLet it lift you off the ground
Starry eyes, and love is all around us
I can take you if you want to goDance with me, I want to be your partner
Can't you see the music is just starting?
Night is falling, and I am falling
Dance with me
