

# All Join Hands

Slade

[1] I remember the time when I saw you  
Standing there all alone in a crowd  
I remember the time  
Cos we drank too much wineChorus We all join hands  
And we all join hands  
So let's all join hands  
Here and now[2] All the girls getting kissed in the ballroom  
All the boys Brahms and Liszt on the floor  
I remember the time  
When we sang Auld Lang SyneChorus R E P E A T[3] Have the time of your life when you're younger  
Have the time of your life when you're old  
Drink the wine, feeling fine  
As we sang Auld Lang SyneChorus R E P E A T (2 times)Here and now, here and now - yeah...
