

# I Am.

## JoJo

Mirror, mirror on the wall  
You seem to think you know it all  
Why do, why do I believe?  
You tear me down just to laugh  
But if I break your shining glass  
I'll just see pieces of me  
No, no, no, don't you dare  
Who do you think you are standing there?  
I'll tell you  
I am, I am, I am, I am worthy of love  
Am I, am I, am I, am I strong enough?  
Because it feels like I'm not anything at all  
But I am, I am, I am, I am beautiful  
Oh, beautiful  
Fool me once, shame on you  
Fool me twice, that's what you do  
It's time to change up the game  
Can't be that little girl no more  
The one you cut up on the floor  
I'm done with all the shame  
No, no, no, don't you dare  
Who do you think you are standing there?  
I'll tell you  
I am, I am, I am, I am worthy of love  
Am I, am I, am I, am I strong enough?  
'Cause it feels like I'm not anything at all  
But I am, I am, I am, I am beautiful  
There was a time when I let you in  
With all the doubt underneath my skin  
I think it's time that I see the way  
I am, I am, I am, I am worthy of love  
Am I, am I, am I, am I strong enough?  
'Cause it feels like I'm not anything at all  
I am, I am, I am, I am beautiful, oh
