The Way You Look Tonight

Boston

Look beyond the world you know
Maybe hope will come back your way
And I've heard a tree can grow
Out of the ashes of yesterdayI've been taken, I'm falling into the night
And your spell, I can't break it
It's calling me to your side, and
And everything's alrightOoh, the way you look tonight
Ooh, the way you look tonight
Yeah, the way you look tonightOnce, we had a chance before
I remember like yesterday
But when you opened up your door
I couldn't find a word to sayWhat I'm feeling, I'm falling back into faith
In a world of believing, I thought it -
It might be too late, and
Oh, too late tonight, but, now everything's alrightOoh, the way you look tonight
Ooh, the way you look tonightYou don't need to say anything at all
Believe in my love this time
I'll catch you when you fall
Yeah heyYou blew me away, and like they say
I know the time is right
I waited so long, this can't be wrong
The way you look, the way you look tonight
