Look At Me

Lil Wayne

Bright thing on my hand saying
(Look at me)
I got your girl doing a handstand
(Look at me)
Cop them 28-inch birdman's
(Check out me)
Y'all dues money to yungBright thing on my hand saying
(Look at me)
I got your girl doing a handstand
(Look at me)
Cop them 28-inch birdman's
(Check out me)
Big thighs with brown eyesIt's Lil' Weezy for real
Only Cash Money Hot Boy that stood still
I got a good deal
I'm from a trill hood
I smoke real good
Slide on them skinnies in the bike with an ill hoodPipes, rally stripes and fog lights
T-shirt white, three stripes with all ice
What that boy name?
Birdman Jr., huh
Four was mild but five is so wild
I can smoke a green mileGot a chrome need a Rolls shined up for you, baby
Bling-blow, I rock a throwback Jordan 23
Rolling on hot 23's
Tote a big glock 23You're looking at the seventeen ward of New Orleans
My block living me
I want you to look hard at some easy money
Stop playing this is weezy company
Uh-huhBright thing on my hand saying
(Look at me)
I got your girl doing a handstand
(Look at me)
Cop them 28-inch birdman's
(Check out me)
Y'all dues money to yungBright thing on my hand saying
(Look at me)
I got your girl doing a handstand
(Look at me)

Cop them 28-inch birdman's
(Check out me)
Big thighs with brown eyesI'm the son of Cash Money
The fodd of the squad
And baby 'bout to buy me a house in the sky
'Cuz I'm so fly
When my feet touch the ground
Sometimes I gotta ask myself why?Coupe kinda wide but I move sorta quick
Looking for my roof where it went
Mink on the floor big shoes on the bed
Windows are the tint more wood than a benchWorking in the hood more green than the grinch
Please don't play 'cuz I'm connected like sprint
Ladies on the tray popping up the back-end
Peppermint leather with a feather in my brimIt's Lil' Weezy
Sucking on my wrist real breezy
And this is what I say when you see me
"Look, and leave your broad at home", she get took
'Cuz I'm a player hold the game by the bookBright thing on my hand saying
(Look at me)
I got your girl doing a handstand
(Look at me)
Cop them 28-inch birdman's
(Check out me)
Y'all dues money to yungBright thing on my hand saying
(Look at me)
I got your girl doing a handstand
(Look at me)
Cop them 28-inch birdman's
(Check out me)
Big thighs with brown eyesSome call me Weezy
But hoes holla look at Lil' Wayne
In that booger-green lay like should've been Mace
Sweet, do speak when I should've put trays
Forget it I'ma slam it on bubba-bubba-blazeSo move over what you say, shortie
We could do rent pussy
Normally I wouldn't but beating through the Texas
And beating went to the A
Eat with Jazze Pha
But yeah I'm on my way
'Cuz I know he got that hayHey little mami
You a ghetto fire tin
You come to my post on the island
Come on that chronic
He-he empty vodka bottlesI be high he be drunk that my role model
I rolls by you with my seat reclining

When I stop rims don't keep spinning they keep shining
Money don't stop keep spinning and keep grinding
Cash Money what you hollering, huh?Bright thing on my hand saying
(Look at me)
I got your girl doing a handstand
(Look at me)
Cop them 28-inch birdman's
(Check out me)
Y'all dues money to yungBright thing on my hand saying
(Look at me)
I got your girl doing a handstand
(Look at me)
Cop them 28-inch birdman's
(Check out me)
Big thighs with brown eyes
