Whatever I Fear

Toad The Wet Sprocket

There's almost nothing left
You eat my kind for breakfast
What did I expect?
To come here and find anyone?
Find open arms to greet me
And friends to feed me
I sicken myself so much
And you eat my kind for breakfast
You eat my kind[Chorus:]
Whatever I fear the most is whatever I see before me
Whenever I let my guard down, whatever I was ignoring
Whatever I fear the most is whatever I see before me
Whatever I have been given, whatever I have beenSeeing myself this way
I am a monster I believe
And seeing is believing
Is there no doubt left
When I poison myself
And poison leaves no appetite
I sicken myself so much
I sicken myself so[Chorus]Did we expect these things to change
By waking up and suddenly there they are
And all I need's a starting place
And nothing ever seemed so hard...[Chorus]
