

Noor-E-Azali Chamkia

Milad Raza Qadri

khide ne phul te kaliyan hazaaran muskura payiyaan
eh kaun aaya jehde aayeyaan bahaaran muskura payiyaan

noor azli chamkeya gayab hanera ho gaya
kamli wala aa gaya har thaana sawera ho gaya

jis ghadi duniya te aaye rehtal lil aal ameen
dig paye but kufr de muh te pasina aa gaya

hun yateeman te ghareeban di khuda ne sunn layi
bekasan da ajj kinare te safeena aa gaya

makke chaar chu phere pukaar pai gayi
waali dohan jahanan da aaya hai
waduha chehra wallail zulfan
kise maa karman waali jaaya hai

nigah e raah mein bichado ke aap aaye hain
dilon ko farsh bana do ke aap aaye hain
zameer e arz e mukaddas se aa rahi thi sada
sanamkadon ko gira do ke aap aaye hain
butan e kaabe hiradat ka sunn ke bol uthe
sar e niyaz jhuka do ke aap aaye hain

khuda ne aamade mehboob ki khushi mein kaha
farishton arsh saja do aaj

hashar tak oh paak raahan sajdagaahan bann gayiyaan
jehna raahan te mere aaka da phera ho gaya

ya rasool allah oh kehna takhtan waale lok sann
jehna di kismat de vich deedaar tera ho gaya

rabb nu vi si ho gayi dharti badi mehboob oh
jehdi thaana te ahmad e mursal da dera ho gaya
