

# Wanna Be Me

## Juelz Santana

They don't wanna see me  
They just wanna be me!  
(Fuck it, I'm getting money!)  
Uh, they don't wanna see me  
They just wanna be me!  
(Fuck it, I'm getting money!)  
They don't wanna see me (yeah)  
They just wanna be me!  
(Fuckers wanna be me!)  
They don't wanna see me (yeah)  
They just wanna be me!  
(Fuck it, I'm getting money!)  
They don't wanna see me  
(Yeah, fuckers wanna be me!)  
They just wanna be me!  
They don't wanna see me (yeah, yeah)  
They just wanna be me!

They don't wanna see me, they just wanna be me  
Yeah, I'm getting money, but your bitch gave me a free  
Yeah, all my bitches freaky, that money's what they bring me  
Like a boss inside they great me  
Like a king inside they treat me!  
Oh, she like wearing gold, I call that  
Got a bitch that don't speak English  
I bought her up back from Tahiti!  
Pull up to the club, tell her park my shit  
Then she turned the whip, I'm on the hard top shit!  
Just bought me a new beamer, just bought me a new base  
Just caught my old bitch, told her, bring some new friends!  
Half of ticket, that's news changed  
My car need two lanes  
New Bentley, call that, sit down, move side!

Fuck em, I'm getting money  
They don't wanna see me (yeah)  
They just wanna be me!  
(Fuckers wanna be me!)  
They don't wanna see me (yeah)

They just wanna be me!  
(Fuck em, IÂ'm getting money!)  
They donÂ't wanna see me (yeah)  
They just wanna be me!  
(Fuckers wanna be me!)  
They donÂ't wanna see me (yeah)  
They just wanna be me!  
(Fuck it, IÂ'm getting money!)  
They donÂ't wanna see me (yeah)  
They just wanna be me!

They just wanna be me, tell them they canÂ't be me!  
Everyday fresh tag, swag or graffiti!  
Your girl donÂ't wanna leave me, she blowing on my dick  
Told her blow and make a wish, and out of come a Ginny!  
Since young and rich, IÂ've been that nigga, ass  
Fly into pockets on the (?)  
Leave that pussy leaking and IÂ'm gone, Houdini!  
I ainÂ't got no worries, just a strong  
I watch these niggas trying to clone me  
So now as fuck Â'em, do my dirt up on my lawn, nigga!  
I am quick for the bullshit, extended clip for the bullshit!

Fuck em, IÂ'm getting money  
They donÂ't wanna see me (yeah)  
They just wanna be me!  
(Fuckers wanna be me!)  
They donÂ't wanna see me (yeah)  
They just wanna be me!  
(Fuck em, IÂ'm getting money!)  
They donÂ't wanna see me (yeah)  
They just wanna be me!  
(Fuckers wanna be me!)  
They donÂ't wanna see me (yeah)  
They just wanna be me!  
(Fuck it, IÂ'm getting money!)  
They donÂ't wanna see me (yeah)  
They just wanna be me!
