Manifest Destiny, Pt. 1

Rival Sons

Out on the hunt for Tatanka
The buffalo are only miles away
You see the tracks from the army's wagon
Headed for your camp from yesterdayYou know we're dealing with Godless men
You know we're dealing with Godless menIt killed your horse but you made it home
To burning bodies around they lay
Chanupa broke and you're alone
Help me, Aho Mitakuye Oyasin
You know we're dealing with Godless men
You know we're dealing with Godless men
