

Tin Soldier

Small Faces

I am a little tin soldier
That wants to jump into your fire
You are a look in your eye
A dream passing by in the sky I don't understand
All I need is treat me like a man
'Cause I ain't no child
Take me like I am I got to know that I belong to you
Do anything that you want to do
Sing any so song that you want me to sing to you I don't need no aggravation
I just got to make you
I just got to make you my occupation I got to know that I belong to you
Do anything that you want to do
Sing any so song that you want me to sing to you All I need is your whispered hello
Smiles melting the snow, nothing heard
You eyes, they're deeper than time Say a love that won't rhyme without words
So now I've lost my way
I need help to show me things to say
Give me your love before mine fades away I got to know that I belong to you
Do anything that you want to do
Sing any so song that you want me to sing to you I just want some reaction
Someone to give me satisfaction
All I want to do is stick with you
'Cause I love you
