Depeche Mode

She was silent, trying to be like the girl
Who acted on the TV
Always knowing when to say
Wishing for a moment so that they could see
Staring in the night
A picture in my room
And I think, that she knew her lines
Break away tonight
I wanna hold your hand
We've got to get it right
We've got to understand
Carefully watching waiting as
I stood upon the back streets
And we start to play
I was screaming louder as the
Curtains fall between us in a twisted way
Staring in the night
A picture in my room
And I think, that she knew her lines
Break away tonight
I wanna hold your hand

We've got to get it right
We've got to understand
Placing all the questions in the minutes of a game
We won so long ago
Dangerous and beautiful the radio transmission
That I have to know
You could never run
You could never stay
And I think you belong to me
Break away tonight
I wanna hold your hand
We've got to get it right
We've got to understand
Break away tonight
I wanna hold your hand
We've got to get it right
We've got to understand

Carefully watching waiting as
Break away tonight
