Are You Ready?

Creed

Hey, Mr. Seeker Hold on to this advice
If you keep seeking you will find
Don't want to follow
Down roads been walked before
It's so hard to find unopened doors
Are you ready? are you ready?
For what's to come?

Oh, I said are you ready, are you ready?

For what's to come?Hey, Mr. Hero Walking a thin, fine line

Under the microscope of life

Remember your roots, my friend

They're right down below

'Cause heroes come and heroes goAre you ready? are you ready? For what's to come?

Oh, I said are you ready, are you ready?

For what's to come?Ten, nine, eight, seven, six, five, four, three, two, one
Count down to the change in life that's soon to come
Ten, nine, eight, seven, six, five, four, three, two, one
Count down to the change in life that's soon to come

Your life has just begun Life has just begun Life has just begun Life has just begun
