

Swinging Doors

Porter Wagoner

This old smoke filled bar is something I'm not used to
But I gave up my home to see you satisfied
And I just called to let you know where I'll be living
It's not much but I feel welcome here inside And I've got swinging doors, a jukebox and a barstool
My new home has a flashing neon sign
Stop by and see me anytime you want to
'Cause I'm always here at home till closin' time I've got everything I need to drive me crazy
And I've got everything it takes to lose my mind
And in here the atmosphere's just right for heartaches
And thanks to you, I'm always here till closin' time And I've got swinging doors, a jukebox and a barstool
My new home has a flashing neon sign
Stop by and see me anytime you want to
'Cause I'm always here at home till closin' time
Yes, I'm always here at home till closin' time
