## Daddy Don't Live In That New York City No More

## **Steely Dan**

Daddy, don't live in that New York City no more
He don't celebrate Sunday on a Saturday night no more
Daddy don't need no lock and key
For the piece he stowed out on Avenue D

Daddy don't live in that New York City no moreDaddy don't drive in that Eldorado no more He don't travel on down to the neighborhood liquor store

Lucy still loves her coke and rum

But she sits alone 'cause her daddy can't come

Daddy don't drive in that Eldorado no more, no moreDriving like a fool out to Hackensack
Drinking his dinner from a paper sack

He says, "I gotta see a joker

And I'll be right back"No, my daddy don't live in that New York City no more, no more He can't get tight every night pass out on the barroom floor

No, daddy can't get no fine cigar
But we know you're smoking wherever you are
Daddy don't live in that New York City no more, no more
No, no, no, no no
