

# Say We'll Meet Again

[Lindsey Buckingham](#)

Just say we'll meet again  
When the sunset spell is gone in the wind  
Please say we'll meet again Everyone sees a tear in the seam  
But talks about the weather  
Everyone pays a price for these dreams  
So why not dream these dreams together Just say we'll meet again  
When the sunset spell is gone in the wind  
Please say we'll meet again That was a dream, that was a time  
But nothing lasts forever  
Sooner or later we all must go blind  
But we can dream these dreams together Just say we'll meet again  
When the sunset spell is gone in the wind  
Please say we'll meet again
