What the Hell Is Goin' On?

[Paul Thorn](#)

Robbin' and shootin' and rapin' and killin'
Bloody murder, molestin', runnin' airplane into buildings
Everytime I turn around somethin' else is goin' wrong
Hey hey hey, tell me, what the hell is goin' on?Scared to read my paper, can't watch T.V.
The world's gettin' way to crazy for me
Everytime I turn around another poor child is gone
Hey hey hey people, what the hell is goin' on?[blues solo]Keep your doors all locked up real tight
Don't let your children get outta your sight
Oh boy, the good old days are gone
Oh somebody please tell me, what the hell is goin' on?
