Battle for Your Life

The Rigs

I've seen all the way to the other side
I've stood between the blacks and the whites
Everyone always tells me it'll be alright
But the mask ain't the face of the war insideAngels, Devils
Good and evil
Battle for your lifeWading in water that's turned to blood
Lookin' for answers where there are none
Can't tell if the halo rings sinner or saint
Can't tell if what I feel is pleasure or pain
Angels, Devils
Good and Evil
Battle for your life
Drink the cup
And load your gun
This battle's for your life
I ain't, I ain't got time to die
I'm busy fightin' here
No time, no time, no time to cry
I'm busy fightin' here
