

# Don't Look Down

## Tindersticks

See her there  
She hangs from me  
See her face  
She can't let go  
I can't look in here eyesShe's holding on  
She needed this to hurt me soSo it shot out of me  
As though all of the love just got ripped out of meShe said I'm such a sap, I'm such a jerk  
How can I ever forget the way that we are  
Spend all your time with your eyes on the ground  
Looking for the starsSay this is it  
This is all there is  
You have to remember thisThis is all there is  
So it shot out of me  
As though all of the love just got ripped out of meAnd just for that moment I saw in her eyes  
How it all could beIt shot out of me  
Spend all your time with your eyes on the ground  
Looking for the starsSo it shot out of me  
As though all of the love just got ripped out of me
