Love Hangover

Emerson Drive

If there's a cure for this.. [repeat]
I don't want it
If there's a cure for this..
I don't need it
If there's a cure for this..
I don't want it
If there's a cure for this..
I don't need it.
Cos you left me with the.. sweetest hangover..
You left me with the.. sweetest hangover..
I sure have the.. sweetest hangover..
I woke up with the.. sweetest hangover..
Please don't ever go
No, don't ever go
If there's a cure for this.. [repeat]

I don't want it
If there's a cure for this..
I don't need it
Cos you left me with the .. sweetest hangover..
You left me with the.. sweetest hangover..
I sure have the.. sweetest hangover..
I woke up with the.. sweetest hangover..
Hmmm, please don't ever go.
No, don't ever go
I sure have.. sweetest hangover [repeat]
If there's a cure for this..sweetest hangover [repeat]
I found you exist
If there's a cure for this.. [repeat]
I don't want it.
