

# Monterey

## Eric Burdon & The Animals

The people came and listened  
Some of them came and played  
Others gave flowers away  
Yes, they did  
Down in Monterey  
Down in Monterey  
Young Gods smiled upon the crowd  
Their music being born of love  
Children danced night and day  
Religion was being born  
Down in Monterey  
The birds and the airplane did fly  
Oh, Ravi Shankar's music made me cry  
The Who exploded into fire and light  
Hugh Masekela's music was black as night  
The Grateful Dead  
Blew everybody's mind  
Jimi Hendrix, baby  
Believe me, set the world on fire, yeah  
His Majesty, Prince Jones smiled  
As he moved among the crowd  
Ten thousand electric guitars  
Were groovin' real loud, yeah  
You wanna find the truth in life  
Don't pass music by  
And you know, I would not lie  
No, I would not lie, no, I would not lie  
Down in Monterey  
Alright  
Three days of understanding  
Of moving with one another  
Even the cops grooved with us  
Do you believe me, yeah?  
Down in Monterey  
Down in Monterey, yeah  
Down in Monterey  
Down in Monterey, yeah  
I think that maybe I'm dreamin'  
Monterey  
Monterey, yeah  
Down in Monterey  
Did you hear what I said?  
Down in Monterey  
Down in Monterey  
I said, Monterey, Monterey, Monterey  
Yeah, yeah
