

Shout To The Top

The Style Council

I was half in mind I was half in need,
And as the rain came down I dropped to my knees and prayed
I said "oh Heavenly thing please cleanse my soul,
I've seen all on offer and I'm not impressed at all".
I was halfway home I was half insane,
And every shop window I looked in just looked the same
I said send me a sign to save my life
'Cause at this moment in time there is nothing certain in
These day's of mine Why see it's a frightening thing when it dawns upon you
That I know as much as the day I was born
And though I wasn't asked (I might as well stay)
And promise myself each and every day that is When you're knocked on your back an' your life's a flop
And when you're down on the bottom there's nothing else
But to shout to the top shout!
