

Time To Go

Keane

Now, during a scene
Seen it all before
We drink, we drink a little much
 Drink a little more
 To shake off the nerves and
 To take off the edge and
Now is there any way back home'Seen it all before and
 I know the signs
We drink, drink a little much
 To stimulate the mind
 Now it's two hours to go
 Insult everyone that we know
Now it's such a long way homeMaybe it's time to go
 Maybe it's time we went
 You're making a spectacle
Maybe it's time we leftI don't wanna spoil your night
 I don't wanna hurt your pride
 But maybe it's time to go
Maybe it's timeNow eating from your hand
 Laugh at every line
 Soon losing track of you
 Losing track of time
Now it's dead on the dance floor
 And nobody's laughing anymore
Have I become a tiresome bore'Maybe it's time to go
 Maybe it's time we went
 You're making a spectacle
Maybe it's time we leftI don't wanna spoil your night
 I don't wanna hurt your pride
 But maybe it's time to go'
Maybe it's time'To go where there's nowhere to hide
 From what's broken inside
 A fault line rips right open
 Under the wide wide ocean's tide
Under the wide wide oceanMaybe it's time to go
 Maybe it's time we went
 You're making a spectacle
Maybe it's time we leftI don't wanna spoil your night
 I don't wanna hurt your pride

Maybe it's time to fly
Maybe it's timeMaybe it's time to go
Maybe it's time
