Steppin' Razor

Peter Tosh

If you wanna live
Treat me good
If you wanna live, and live, and live
Treat me good

I'm like a walkin' razor
Don't watch my size, I'm dangerous
I'm like a walkin' razor
Don't watch my size, I'm dangerous

If you are a bully
I beg you look for me good
If you are a bully, a folly, a bully
Treat me good

I'm like a steppin' razor
Don't watch my size, I'm dangerous
I'm like a steppin' razor
Don't watch my size, I'm dangerous

You are a bully
Treat me good
If you are a bully, a bully, a bully
Look for me good

I'm like a walkin' razor
Don't watch my size, I'm dangerous
I'm like a walkin' razor
Don't watch my size, I'm dangerous

[Incomprehensible]
I beg you look for me good
Be quiet
I beg you treat me good

I'm like a stepin' razor
Don't watch my size, I'm dangerous
I'm like a stepin' razor
Don't watch my size, I'm dangerous
