

Time's Up

Burning Heads

Get outta bed and start to run,
Another morning ain't no fun.
Get outta bed and start to run,
Another morning ain't no fun.
Another morning, Nothing new,
But this is not what I wanna do
Get outta bed and start to run,
Another morning ain't no fun.
Another morning, Nothing new,
But this is not what I wanna do
No this is not what I wanna do,
I'd rather stay in bed with you
